

Hello,

My name is <insert name> and I am one of your neighbors on <insert street>. As you probably know, the City of Saint Paul does not plow alleys. For the sake of public safety, it's important that we work together to ensure that alleys are nonetheless cleared of snow and passable.

Under Section 106.01 of the City Code, obstruction of an alley is prohibited and the property owner can be cited for violation of the code. It is the property owners responsibility for maintaining clear alleyways.

I have decided to take the initiative this year to contract an alley plower. The plower is <insert name of plower>

I am asking each property to contribute <insert amount> to cover the total annual charge for plowing service.

Going forward, I would like to be in contact with property owners to allow more of a consensus for the service we use. If you would like, when you send payment, please give me your contact information.

If you have any questions regarding snow removal, you may contact me- I have placed my contact information below. If you have any questions regarding snow removal rules and enforcement, you may contact the Saint Paul City Councilmember for our area, <insert council member name, contact info> or call ordinance enforcement at 651-266-6151
